There are still movable properties of the evacuees to be disposed of and there are nine immovable properties from which rent will have to be recovered from the occupants. The work in the Revenue branch is also very heavey due to the recent retrenchment of t staff, as such it is necessary to extend the period of the post till 31st March 1951 in the pay ~~xxxx~~ scale prescribed by the Municipality from time to time plus the deputation allowance at usual rates.

Under the circumstanes, I request you to please move Governm to accord sanction for a further extension of the period of appointment of the Inspector "
